

How to Register on Darasa Online and gain access to the User portal

1. Click on “Register”

2. This will open up a login page where a user fills in their details.

A screenshot of the Darasa Online 'Sign up' page. The page has a light blue header with the 'Sign up' title. Below the header is a registration form with the following fields: First Name, Last Name, Gender (Male/Female) with a dropdown menu showing 'Male', Country with a dropdown menu showing 'Kenya', Username, Phone, User Email, Confirm Email, User Password, and Confirm Password. There are also checkboxes for 'I'm not a robot' and 'I agree to the Terms & Conditions'. The form is designed with a clean, modern layout and includes helpful text like 'Create a username. You can use this username or your email to login.' and 'Email address must match User Email'.

3. A new user who registers will receive a confirmation email of a successful registration.

Note: It is important that a new user who registers clicks on “I’m not a robot” to complete the registration process.
